The Director General
BBS
Agargaon, Dhaka

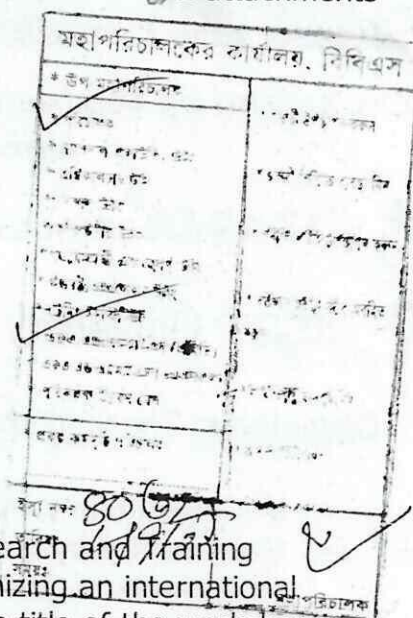

Dear Sir:

I am happy to inform you that the Institute of Statistical Research and Training (ISRT) (<https://www.isrt.ac.bd/>), University of Dhaka is organizing an international workshop in Dhaka, Bangladesh during Dec 17-19, 2019. The title of the workshop is **'Sampling Methodologies for Monitoring Sustainable Development Goal Indicators'**. The workshop, which is being sponsored by the International Statistical Institute (ISI) (<https://www.isi-web.org/>), expects to draw participants from academic institutions, national statistical offices (NSO) as well as government and non-government organizations (NGO) of SAARC member countries.

We would appreciate it very much if you could forward this email to persons within your organization who might be interested. For details about the workshop, sessions and funding information, please refer to the attached announcement and list of sessions. For updates, visit <https://www.isrt.ac.bd/workshop>. If you have any questions, please contact us at workshop@isrt.ac.bd. With many thanks.

Sincerely,

Tamanna Howlader, Ph.D.
Professor
Institute of Statistical Research and Training (ISRT)
University of Dhaka
Bangladesh

International Workshop on

Sampling Methodologies for Monitoring Sustainable Development Goal Indicators

*Organized by the Institute of Statistical Research and Training (ISRT),
University of Dhaka, Bangladesh*

17-19 December 2019

ISRT, University of Dhaka, Dhaka, Bangladesh

Objectives: The workshop seeks to help participants

- Understand key concepts of SDGs, its challenges, the targets and indicators
- Gain familiarity with the indicator framework and Statistical Quality Assurance Framework (SQA)
- Understand the sampling designs commonly used to monitor SDG indicators and appreciate the role of surveys in measuring SDG indicators
- Learn new technologies for survey data collection, entry, analysis and visualization
- Gain practical experience through presentations, group work and case studies

Intended participants: Academicians, scholars, employees of national statistical offices as well as government and non-government organizations, practitioners, students and postgraduates of SAARC member countries

Registration fee: BDT 4000 payable in advance by each selected participant

Funding: Travel support (outside Dhaka only: airfare/bus fare/train fare), meals, registration, workshop kit, lecture materials

How to apply: Send an email to the Director, ISRT at workshop@isrt.ac.bd with your CV and a covering letter describing how you would benefit from attending this workshop and whether travel support is required (if outside Dhaka) by August 31st 2019. Seats are limited. Selected participants will be notified by September 15, 2019. For updates please refer to <https://www.isrt.ac.bd/workshop>.
